Dear Supporter:

Youngstown Radio Reading Service continues to be a critical resource for blind and print impaired individuals in our Mahoning and Shenango Valleys. Our station reaches more than 1,300 people through our special radio receivers, provided free to listeners, and we are also available on our website, Amazon Alexa and TuneIn. YRRS provides important local and national news, enriching literature, special interest programs, and now podcasts to thousands of people every day. Our complete program schedule is available on our website at goodwillyoungstown.org/how-we-help/radio-reading.

We are asking for your support of this needed service so we can continue our mission of providing independent access to printed information for people who are blind or print impaired.

As a Radio Reading sponsor, you and/or your organization's name will be announced twice during the hour of the program of your choice and distributed to thousands of residents through the Goodwill Update. Your donation will support a worthy cause and will receive generous exposure to listeners and the entire community.

We have accomplished a lot with the generosity of our amazing donors and sponsors. We ask you to continue to help us do 'good' for our community by supporting this important Goodwill service! Detailed sponsorship information is included below. Sponsorships begin July 1, 2023.
